BackJack™ Companion Agreement

This Agreement is made between Synectics Business Solutions Inc., developers of the BackJack™ Online Backup Service, hereinafter referred to as "Synectics", and _____ <Companion's Company and/or Personal Name> hereinafter referred to as the "Companion". This Agreement constitutes the entire Agreement between the parties with respect to the matters described below and this Agreement shall not be amended except by a memorandum in writing signed by both parties.

Sales and Promotion

Synectics grants the Companion the right to promote and sell the BackJack Online Backup Service on its behalf to any Macintosh computer user/client. Once a client subscribes to the BackJack service, all Synectics rules, policies and operating procedures concerning the BackJack software and service will apply to those subscribers. Synectics will be responsible for all billing and technical support with regard to each referred account.

Marketing Support

Synectics will provide Companion with logos for online and/or printed use. Synectics grants the Companion the right to use any wording for marketing purposes found on the BackJack website at <www.backjack.com>. Synectics will not be responsible for any costs of marketing that the Companion incurs in selling BackJack (ie. phone expenses, online expenses, travel to client's location, staff, etc).

Unique Promotion Code

Synectics will provide the Companion with a unique Promotion Code. In order for the Companion's client to benefit from special discounted pricing, this Promotion Code must be entered during the software's Setup Assistant process (specifically, in the field entitled 'Promotion Code' found on the second window of the setup process). Any referred client is eligible for BackJack's 4 GB Free Account prior to subscribing.

Discounted Pricing for Companion's Clients

Pricing for BackJack is comprised of both User fees and 10 GB Storage block fees (Annual term). When a Companion refers a client to BackJack, the client will benefit from guaranteed, discounted pricing. Since our pricing is subject to change, this discount will be based on the current, published pricing at www.backjack.com/pricing and cannot be used in conjunction with any other offers. We reserve the right to change the discount associated with the Companion's Promotion Code and will notify the Companion once a change has occurred. Once the Promotion Code has been entered during the Setup process, the discount will be calculated automatically when the client subscribes via MyBackJack administrative portal. When a Companion's client purchases additional Users and/or Storage blocks throughout their annual term, they will benefit from the same discount. This discount will also be applied to future renewals should they wish to renew their subscription at the end of each annual term.

Term & Termination

The terms of this Agreement will become effective on the date that both parties sign and will end when either party communicates in writing or via email the desire to terminate the relationship. Any active, referred clients will continue to benefit from the same discounts on the renewal of their Accounts; however, no new clients will be accepted using the Companion’s designated Promotion Code. Synectics reserves the right at its sole discretion to terminate this Agreement for any reason specifically if the Companion misrepresents the service in any or uses spam as a method of marketing or selling BackJack.

General

This Agreement will be governed by the laws of Canada and the Province of Ontario. Any action relating to this Agreement must be brought in the federal courts of Canada or provincial courts of Ontario and the Companion irrevocably consents to the jurisdiction of such courts. The Companion acknowledges that they have read this agreement and agree to all of its terms and conditions. The Companion has independently evaluated the desirability of participating in this relationship and is not relying on any representation, guarantee or statement other than as set forth in this Agreement.
